Re: Trump International Hotel – Old Post Office
1100 Pennsylvania Avenue, NW, Washington, DC
General Contractor: Lend Lease Construction, Inc.

Dear Ms. Glassman:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA number 2015-000183) submitted November 26, 2014, in which you requested “a full list of all contractors and subcontractors who have performed, are performing or will perform any work on the Trump International Hotel - Old Post Office construction project. Our request will also include the contracts, bid documents, certified payroll records, daily logs and any sign in sheets submitted by any of the contractors or subcontractors for the Trump International Hotel - Old Post Office project.”

Enclosed is a portion of the requested information. To date the only document in the Government's possession related your request for information is the enclosed Construction Contractors Log. The Trump International Hotel - Old Post Office located at 1100 Pennsylvania Avenue, NW, Washington, DC is not a Public Works Construction Project, but rather a conveyance of long term leasehold interest (ground lease) to the private sector through Section 111 of the National Historic Preservation Act.

This constitutes a full release.

This completes our action on this request. Should you have additional questions regarding this request please feel free to call Ms. Kevin Terry, Senior Realty Contracting Officer at (202)708-4600 or by email at kevin.terry@gsa.gov.

Sincerely,

Travis Lewis

FOIA Program Manager
